

## Declaration of compliance with Regulation (EC) 1907/2006 REACH

**Company:** SALTEK s.r.o.

Drážďanská 561/85, Postcode 400 07, Ústí nad Labem, Czech Republic  
Business Id. No. 62741471

**classified as:** downstream user

in compliance with Regulation of the European Parliament and Council (EC) No. 1907/2006 on Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

**declares:**

SALTEK s.r.o., dealing with the development and manufacturing of surge protection, acknowledges all the obligations following from Regulation (EC) No.1907/2006 (REACH).

- I. The Company manufactures and sells products specified as articles in complying with the REACH definitions.
- II. Throughout the life cycle of the products, no chemicals are released into the environment.
- III. The obligation to register chemicals used in manufacturing is met by suppliers of the chemicals.
- IV. The Company took measures to verify the information from its chemicals suppliers to make sure the obligations stipulated by the REACH Regulation were observed, for all substances used in manufacturing the sold products.
- V. The Company will constantly control the purchased raw material and manufactured products in the future and communicate with its suppliers and customers within supplier-customer chain on all events which might affect the rights of consumers related to the REACH application.
- VI. At the moment, no case of the use of dangerous substances is known which would require permission for use (described in REACH SVHC List).
